INSTRUCTION MANUAL

CREATIVE DUPLEX PRINTER CX3240

PRINTER DRIVER SOFTWARE (WINDOWS)

CONTENTS

I.	System Requirements	. 2
2.	Download or Insert CD for Launcher	. 2
3.	Print Driver Installation	. 3
4.	Paper/Media Settings	. 5

1. System Requirements

1.1 This Printer Driver Software supports **Windows 7** (32-bit or 64-bit); **Windows 8** (32-bit or 64-bit); or **Windows 10** (32-bit or 64-bit) operating systems.

1.2 Technical Notation: Always attempt to batch orders to 50 pages or less, due to memory constraints within the printer. If **Hard Drive Full** error occurs, reduce batch size, or adjust file(s) size down.

1.3 Printer Connection: Connect the power cable, Ethernet or USB cable and **complete** the printer initial setup **prior** to installing the driver.

2. Download or Insert CD for Launcher

2.1 Insert CD and browse to it, or the unzipped folder of the downloaded files.

2.2 Double click Launcher.

NOTE: If you get a Window permission prompt select Allow.

3. Printer Driver Installation

3.1. Select Start Installation.

3.2. End User License Agreement. Check the box **"I accept the terms of the license agreement**" and select **Next** button.

3.3. Select **Wireless or Ethernet Connector** radio button. Select **Next**.

3.4. Wait as the print driver automatically finds the printer. Once found, you will see the printer listed on this screen.

3.5. Check the box with the printer that matches the default IP Address or IP Address that you have set your printer to, for example 192.168.1.200.

3.6. If desired check the box: **Set the printer** as default.
